Refrigeration Manufacturing Company  
QUALITY - INNOVATION - SERVICE

## About Us

COOLREF, LLC. is a refrigeration manufacturing company located in Houston, Texas. It was established with the desire to provide breakthrough solutions for manufacturing high-performance refrigeration systems. Our list of products includes refrigeration system racks, NSF certified Freezer/Cooler Doors, refrigeration accessories and laser cut/bending services. We also can customize any refrigeration system.

Our engineer team works directly with customers to understand needs and suggest solutions. The products are carefully manufactured and inspected to ensure the delivery of highest quality. These are our company's core values that define our reputation in the market.
